

# HELP US PLANT

## CUTTESLOWE COMMUNITY WOODLAND

**Sunday 27 Nov 11-3pm**

Come and join other LCON members and help plant trees and wildflowers on Sunday 27 Nov from 11-3pm in Cutteslowe Park.

LCON promised to plant a tree for every 2 members joining and we are pleased to be joining with the Forest of Oxford and the Friends of Cutteslowe Park to help develop the Cutteslowe Community Woodland.

We will be helping plant 400 trees, 75 shrubs, 500 bluebells and 250 primroses. Bring a spade, your own packed lunch, strong footwear and clothes to suit the weather.

To get there, please cross the ring road by the Cutteslowe footbridge, then follow the service lane east past the allotments to the end of the lane.

For more information please contact Brenda Boardman (07813 190340 ) or Sam Clarke (07768 077559).
